February 2012

## It's Auction Time!

We hope to see all of you at this year's Maury High School Auction **Saturday, March 3, from 6 to 9 p.m., at Norfolk Yacht & Country Club**. There will be lots of great food and drinks, entertainment, silent and live auctions. Our master of ceremonies and auctioneer is WAVY-TV Meteorologist and Maury Parent Don Slater. All are invited. This event is the highlight of our school year and the Boosters' biggest fundraiser. Please come join the fun. If you would like to donate an item or become an auction sponsor, contact Ann Golski at [amgolski@cox.net](mailto:amgolski@cox.net). Tickets are \$45 per person. For more information, visit the Boosters' website at [www.mauryboosters.org](http://www.mauryboosters.org).

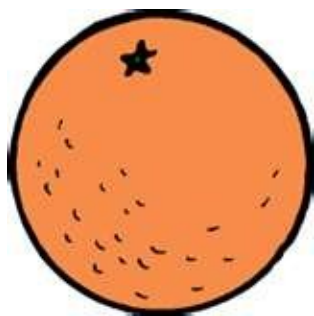

## Auction Volunteers Needed

Please consider volunteering the day of the auction, **Saturday, March 3**. We need lots of help setting up, during the auction, and with clean-up afterward. Volunteering is a great way to meet fellow parents and guardians and it's a lot of fun. A successful auction depends on our volunteers! If you have some time to offer, please contact Patty Shelanski at [fourshelanskis@aol.com](mailto:fourshelanskis@aol.com).

## Boosters Award More Grants

Maury Boosters recently awarded the Maury Choral Program \$997.44 to register students for District Chorus and to purchase music required for the competition. A \$560 grant also was awarded to the Science Department for two electronic balances to be used in Advanced Placement biology labs. Good luck to our MHS Chorus as they prepare to perform at district level!

## Fruit Sales

There are just two months left in Maury's annual fruit sale. The next deadline for ordering is Monday, Feb. 27. Pick up is Friday, March 9. Whole and half boxes of pink grapefruit and half boxes of Temple oranges and tangerines are available. To place your order, go to our website: [mauryboosters.org](http://mauryboosters.org) or call 628-3349. Pick up is from 7:30 a.m. to 5:30 p.m. at the band room on DeBree Avenue. Thanks to all who have supported and helped with the sales, including the boys' tennis team, boys' baseball team, orchestra, band, scholastic bowl team, chorus, French honor society, sailing team, Model UN, and the medical program. Sales have been great this year, especially during December when the holidays boosted orders, and January, the only month that the popular Honeybell oranges were available.
