Dear Friend of Maury High School:

The Maury Booster Association invites you to become an official sponsor of the fifth annual all-school Maury Auction to be held on Saturday, March 20, 2010. Auction proceeds will benefit all of Maury High School, from student clubs and teams to academic departments and arts programs. Last year's auction reflected a net profit of \$30,000. which provided equipment, supplies and programs not funded by city, state or federal governments. With your help the Boosters can raise even more funds for Maury at the upcoming auction.

In addition to the satisfaction of supporting Maury High School, you will receive an ad in the auction program book and recognition in the spring edition of the Maury *UPDATE* newsletter and also on the Maury Booster Website. **A complete list of sponsor benefits is detailed on the enclosed sponsorship form.**

Funds raised at last year's auction provided the following:

- Support for forty-nine Maury teams, clubs and academic disciplines that helped with the purchase of equipment and educational materials to meet specific needs.
- Support for all academic and athletic departments, which allowed discretionary spending within each department.
- Funds for Maury Booster grants that paid for items such as sports equipment, guidance department materials, teacher appreciation events and support for after-school homework club.

These are just a few of the many ways the Boosters have enhanced life at Maury High. With your help we can do even more. Your sponsorship will guarantee that our spring all-school auction, which will be held at Norfolk Yacht and Country Club, is a success. In addition, we appreciate your using any matching gift opportunities you have available.
